

PAINTERS AND ALLIED TRADES REPORTS

DISTRICT COUNCIL 6

Jim Sherwood,
Business Manager/Secretary-Treasurer

STRONGSVILLE — Brothers and Sisters, any driver in Ohio and Kentucky is well aware that summer motoring means orange barrels, lane closures and lots of activity around bridges.

District Council 6 is proud to represent the skilled workers who sandblast and apply very specific coatings to the metal structures on which we all rely every day.

These projects are expensive to the taxpayers who foot the bill. What is even more expensive is replacing these critical structures if the coatings fail and corrosion wins.

The IUPAT and DC 6 have been engaged for several years now in a campaign to have this work done by certified professionals that we as a union are happy to provide.

Recently, the FTIOR (Training Department) and the DC 6 Communications Department took this campaign to a new level, as they brought together key players in the corrosion control and public infrastructure sectors for a series of honest roundtable discussions.

A key component of these discussions was getting the buy-in from lawmakers on both sides of the aisle who want to save taxpayer dollars.

Our elected representatives told us these talks were enlightening, and there has been increased momentum in the Ohio Legislature to apply the training standards we helped to develop to all bridge and water infrastructure projects.

Gary McPheron will keep us updated in his article.

PATCH GOLF OUTING

 We at DC 6 are especially excited this time of year about our community outreach projects, especially the PATCH Golf Outing, and the Cincinnati Labor Day event.

Children's programs around the region will be helped by the funds raised at this year's PATCH Outing, held on Sept. 8 at the Coppertop Golf Course in Valley City.

Members are encouraged to promote the event with contractors, suppliers and their Local Union.

Raffle baskets are always welcome. Contact **Nichole** or **Shawn** at 440-235-4575 for more on how to lend a hand.

DELEGATES MEETING

Delegates to DC 6 will reconvene in Plain City for the October meeting.

Our August meeting was cancelled, as all staff will be at the Central Region Conference in September.

As a result of this, the delegates voted to cancel the September meeting as well.

See you in the fall!

IN CLOSING

In the meantime, please work safe and help our organizing staff keep tabs on projects by letting us know when you see construction work starting.

We can get a jump on it and make sure everyone gets the living wage they deserve.

DISTRICT COUNCIL 6

Gary McPheron,
Government Affairs

STRONGSVILLE — I am going to follow an often-used theme by me, and that is the fact that DC 6 is truly a PAT-partisan organization.

When we consider endorsements and/or contributions, we look primarily at how the candidate's beliefs and actions line up with our core principles for our members and their families to be able to earn a living wage with benefits.

The core principals include your ability to join a union and collectively bargain without any So-Called "Right to Work" restrictions, as well as support for Prevailing Wage laws and enforcement and the use of Project Labor Agreements or Community Benefit Agreements without interference.

Economic development is critical to our members. Is the candidate committed to infrastructure and other

incentives to promote business expansion in our jurisdiction?

Incumbents with a proven voting record and a likelihood to win their race also play into our decisions.

These are all issues the vast majority of our membership agrees on, unlike the social issues that divide our country and our membership. Lastly, any candidate's political party or lack thereof is not a consideration for endorsement. Our Union will not be a proxy vote for any party - at least as long as I'm the political director.

This November, there will be two top-of-the-ticket elections in Ohio - one for U.S. Senator and one for governor.

Previously we announced our endorsement of Democrat Tim Ryan for U.S. Senator in Ohio.

His record of support for union members and their families is long and unquestioned. He has always spoken up for workers, or in his words, "the people who have to shower after work."

Ryan voted for the PRO Act in the House and will vote in support of this legislation in the Senate. He supported the Butch Lewis Act, which will help ensure union members will receive the pensions they earned.

His election will be the top priority for this Council, and you should expect to receive letters from this Council and possibly jobsite fliers with facts as our representatives visit our jobsites, or you attend your Local Union meeting. We are all in with Tim.

The governor's race was not as obvious as the senate race, but in the end the choice is clear. DC 6 has endorsed Republican Gov. Mike DeWine and Lt. Gov. Jon Husted in their bid for re-election.

DeWine and Husted have earned this endorsement, working tirelessly to bring construction jobs to Ohio and supporting the union building trades at every level possible.

Husted has quietly worked behind the scenes promoting what we do and how we do it to anyone he speaks to. This includes investors, both foreign and domestic, with Jobs Ohio and all the economic development groups.

None of this happens without DeWine's approval.

This is critical for our members, that doors are open and we are at the

table with ACT Ohio and the Ohio State Building Trades. As the old saying goes, "If you are not at the table, you are on the menu."

Thanks to DeWine and Husted, we are at the table and they are very supportive of our issues.

This is PAT-partisan at its finest - the two most important races and we have endorsed one Democrat and one Republican.

We will endorse a mix of Republicans and Democrats for the Ohio House and Senate, again, based on their support of our members and their families.

However, as of this writing, those primary elections are not complete.

In the U.S. House races, we have currently endorsed Democrats Marcy Kaptur, Shontel Brown, Emilia Sykes and Greg Landsman.

There are a few Republicans we have supported in the past, but all of them voted no on the PRO Act, and we are still working through if that is a disqualifier.

Does one horrible vote take precedence over solid support on most issues, including the ever-important Davis Bacon vote?

Stay tuned, and thank you to anyone who read my somewhat wordy article this month.

DISTRICT COUNCIL 6

George Boots,
Director of Training

STRONGSVILLE — The training department hopes you and your family had a safe and healthy summer.

PAINTERS AND ALLIED TRADES REPORTS

DISTRICT COUNCIL 6

Bo Anderson,
Director of Organizing

STRONGSVILLE — Greetings Brothers and Sisters.

There is no slowing down in the Organizing Department.

We have been working diligently throughout District Council 6 to increase membership and our contractor base.

As mentioned before, there is a nationwide shortage of drywall finishers, and the Organizing Department has been building relationships within the southern communities to recruit new members to fulfill this shortage.

AKRON/CLEVELAND

We are tracking non-union contractors in all our trades and finding members to sign up.

COLUMBUS

In Columbus, we are on fire with top down and bottom up organizing techniques.

We are closely monitoring our competitors to evaluate our market share in glazing and drywall finishing.

Our team has been reaching out to community organizations to establish trust and secure workers for future contractors.

We need glaziers and drywall finishers in Central Ohio.

Also, we are adding an organizer in Columbus to the staff.

If you are interested, please send a resume to the District Council.

CINCINNATI/ LEXINGTON

We need drywall finishers throughout the Cincinnati area, but our focus is widespread for this trade.

We have been evaluating virgin markets and working to build a positive union presence for future campaigns throughout the area.

Ron Houser, Jessica Story, Scott Cook and Zach Langendorfer are

working hard on that, and talking to contractors. Hopefully they will be signing them up, along with potential members.

We are also in need of drywall finishers in Dayton.

TANKS AND BRIDGES

The water initiative is another focus our team has been working on heavily, specifically with tanks and bridges.

Our primary target is Seven Brothers, and we will remain on their trail, ready to wrap them up with hand billing or job actions, if necessary.

The Organizing team will be going to job bids on tanks and bridges throughout our Council.

IN CLOSING

Anybody interested in joining our trades can call me at 440-292-5886, or email at boa@iupat-dc6.org.

DISTRICT COUNCIL 6

Jimmie Matowitz,
Retirees Club

STRONGSVILLE — I hope all is well with all of you and your families.

Unfortunately, we had to cancel last month's meeting due to my COVID situation, and this new variant. We all agreed it was the right decision to make.

Hopefully we will have our next meeting on Sept. 7.

I will keep in touch with all of you if there will be any changes.

I personally thank Brother **Dennis Smith** for helping contact everyone. Thank you, Dennis!

Hopefully we will see you at a meeting soon.

The Local can only get stronger with your participation.

PATCH GOLF OUTING

Four of our members will attend this year's Painters and Allied Trades for Children's Hope (PATCH) Foundation Golf Outing.

If you know someone or a business that would like to donate something to be raffled off at this year's fundraiser, please contact me and I will pick it up.

WORK OUTLOOK

The Sherwin-Williams PLA was finalized and is waiting for approval from NABTU.

As everyone may know, this project is underway as we speak.

Glaziers LOCAL 372

Harry Mullins

COLUMBUS — Members of Local 372, the busy construction season in Columbus continues.

Pioneer is finishing up their work on the Hilton Hotel expansion, and is also starting a job on The Ohio State University campus.

Celina is working on a building for Messer. Celina also has two other jobs

around the OSU campus.

Blakley is nearly finished with the Hilton job, and has started on the Nationwide Insurance Tower. They have another job on the OSU campus as well.

Madison Heights Glass started Phase II of the jail.

Crown Corp. started the new OSU Hospital, and needs 20 glaziers.

United Glass and Panels completed a job at Kenyon College, and started another one on campus.

NEC has begun to layout a job at OSU and will be manning it soon.

AAG got the interior package at the OSU Hospital.

ORGANIZING UPDATES

We need to bring in more new members.

If anyone knows any glaziers who might be interested in joining, please get their information to me so I can try to get them to join.

This past month, I brought in three new apprentices. One went to Blakley, one to Crowne Corp. at the OSU hospital and one to Madison Heights.

I also brought in two journeymen. One, a member of DC 53, went to work for Celina, and the other is a member who transferred in from Local 181 to work for Crown Corp.

We now have a Local 372 signatory glazing contractor in Columbus.

I signed Next Generation Construction to our CBA. They are a large, minority-owned contractor in Cleveland.

They want to open an office in Columbus so they can get in on all the work coming up here.

For their first job, they are working with Crown Corp. on the OSU hospital.

Also, I am still in talks with Dave Stout, the owner of Columbus Glass and Mirror, and am hopeful he will sign our agreement.

Currently, we need drywall finishers and painters.

Our marketing team is trying to get our contractors working for various general contractors who have not used union contractors before.

Finally, the Lexington campaign is underway.

See *PAINTERS AND ALLIED TRADES* on page 33.

PAINTERS AND ALLIED TRADES REPORTS

MARK YOUR CALENDAR

Our next meeting will be on Aug. 15 at 5 p.m.

This is a Special Called Meeting to nominate a treasurer and trustee.

ELECTRONIC PAY STUBS

All our contractors now send electronic pay stubs.

If you do not have a computer or are unable to access your pay stubs, contact **Rebecca** and she will get them for you at the office.

HERE TO HELP

If you have any questions or concerns, contact me at 614-371-6290.

You can also contact **Chris Naegele** or call the office at 800-704-2079 or 614-294-5301.

IN CLOSING

Keep up the good work and be safe.

Glaziers LOCAL 181

Jim Black

CLEVELAND — Hello Brothers and Sisters of Local 181.

Our union meetings take place on the third Wednesday of every month at 5:30 p.m. at the District

Council 6 offices, located at 8257 Dow Circle in Strongsville.

Please try to attend.

WORK OUTLOOK

Work is extremely busy in the area. There is one journeyman off at this time.

If you are laid off and plan on waiting for that company to call you back, you should still let me know you are off.

It helps with trying to keep track and any unemployment issues that may arise. Thank you.

The Sherwin-Williams projects in Cleveland and Brecksville are underway.

Enclos has the glazing for the downtown Sherwin-Williams tower. NEC has the glazing for the Brecksville facility. We should be manning both projects before the end of the year.

We have some big projects that are moving along nicely, like the 20+ story Artisan project in University Circle, the Ahuja Hospital in Beachwood and the Summa Hospital project in Akron.

The Library Lofts project has started, and there is a Phase II to the Intro project on West 25th and Lorain Road in Cleveland.

We also have a lot of the Cleveland Public Library renovations.

The Cleveland Clinic has three major projects coming up - The Cole Eye Center, The Neurological Institute and the Mentor project. All three are

new construction projects.

As of now, there is a vaccine mandate required to work on these jobsites. It is unusual for new construction to require this mandate, but it is required by The Clinic.

If anything changes, I will let you know.

Construction work in this area looks really strong through 2023.

National Enclosure Company (NEC) is looking for a traveling glazier. If anyone is interested in traveling and being on steady with NEC, please contact me.

DRUG CARD REMINDER

You must have a current drug card, even if you are working at a smaller shop or have not needed to show it in a while.

Stay on top of it, and get it renewed if it has or will expire. If you are not working, please get it taken care of now.

I cannot stress enough the importance of having a current drug card.

Also, stay on top of your yearly test. Do not let it lapse.

A lot of members miss out on work because they do not have a current drug card. Do not let that be you.

Remember, random drug tests are going out. Do not miss a random, which is equivalent to a fail.

If you have any questions, call me and I can get you set up with the test.

Lastly, remember we now use

Safety Controls Technologies for our drug testing.

If you need a drug test, contact me.

TRAINING REMINDER

Stay on top of your upgrade classes and all the certifications, as training is becoming more important.

Please call the Training Department or check the website for the updated training schedule.

The more current certifications you have, the better off you will be.

Currently, I need a certified welder. We do not have enough glaziers who are certified to weld.

If you are off work, now is a great time for you to get this certification, which will only help you in the long run.

UPDATE CONTACT INFO

If you have moved, changed your phone number or need to update your beneficiary card, please contact me and let me know.

MORTGAGE HELP

I have been working with Cross-Country Mortgage.

If you have any financial questions or are interested in refinancing, contact me and I can put you in contact with one of their representatives.

CINCINNATI — Greetings Brothers and Sisters, I hope all is well. I ask that we all keep our injured

and sick Brothers and Sisters in our thoughts and prayers.

WORK OUTLOOK

This summer has been very busy for our contractors, and your agents have been recruiting for all trades. We still need tradespeople to fill the demand.

If you know of anyone interested in working in, or learning your trade, please refer them to the Union Hall.

We are glad to report that this year's apprenticeship looks promising.

In Cincinnati, we have three glaziers, three finishers and 20 painter apprentices.

We also initiated multiple bridge painter/blasters.

TRAINING REMINDER

Now is the time to get your journeyman upgrade classes scheduled and completed.

Respirator fit tests and evaluations must be done every year, and lift cards must be renewed every three years. Check your certifications for OSHA refresher, MEWP and respirator fit.

Class schedules are listed in this periodical, and you can reserve your spot in a class by contacting **Sarah** or **Barb Fisher** at 440-239-4575, ext. 118.

In Cincinnati, a fall protection class is scheduled for Aug. 23, a swing stage for Aug. 16, OSHA-30 for three days beginning on Sept. 10 and a respirator fit on Sept. 13.

Also, the glaziers have a welding certification retainer class scheduled for Aug. 30.

All first-year apprentice classes start Aug. 15 through Aug. 19.

CONDOLENCES

It is with deepest regret that I inform our members of the passing of **Don Miller**.

Don was a recent retiree and a 35-year member of the IUPAT. He was initiated into Local 308 in 1987, and later became a member of Local 123.

Don was a long-time employee of Miller Painting. He will be missed.

IN CLOSING

During these hot summer months, remember to stay hydrated.

Please look out for one another's safety and treat each other with care and respect. You never know what kind of a day your coworker is having or where their thoughts may be, leading to distractions.

If you have any safety concerns or project information, please contact your representatives: **Zach Langendorfer** at 513-763-9799, **Ron Houser** at 513-908-3422, **Jessica Story** at 513-325-7351 or **Scott Cook** at 513-708-3996.

There is also opportunity to work in Southern Ohio as well.

I can get you on the "Out of Work" list and submit paperwork to Unemployment to help speed along any claims.

It is possible other contractors may be in need of help, and I can help with that too.

We also ask you to let us know if you have a change of address or phone number, as we need that information as well.

I hope everyone enjoys their Labor Day holiday. This is our day - you earned it, so be safe but have fun.
